Valerie Manor extension opening event

Thursday, June 30 saw the opening of the new nursing wing extension and facilities at Valerie Manor Nursing and Residential Care Home by Dame Vera Lynn. More than 130 guests enjoyed the proceedings, which began in a light-hearted manner with a poem from the Rev John Challis of St Peter's Church, a regular visitor to Valerie Manor. Dame Vera officially opened the new wing with the cutting of a ribbon, before proceeding on a guided tour of the new facilities and the original manor.
