

# Shoreham Airshow

Joan Denwood was at the airshow with her father, Fred Whyler, 97, who lives at Valerie Manor care home, in Upper Beeding. "It is great for him to be able to take part in this today, because he is a life-long member of RAFA," said Mrs Denwood, 60.

"It is the first time either of us has been and I think it is brilliant.

"It is just lovely to be able to come and enjoy it when it is right on our doorstep."
